

BHG news January 2025

'A War Time Christmas' was the subject of our December meeting Julie Knight brought along lots of Christmas decorations, handmade gifts and other memorabilia of the 1940's. Julie's tales of life during a Christmas in World War II brought back many memories for some members and confirmed for, younger members, their family stories.

Guests and members are welcome to come along on January 8th to hear Wayne Perkins tell us about Historic Graffiti.

The poster is set against a background of a textured wall with several circular graffiti marks. The text is arranged as follows:
